

# Town of Milton Surveys: May – June 2017

## We welcome input from parents of schoolchildren

We wanted to let you know about opportunities to provide your feedback on a variety of important community topics via a number of surveys happening in the next few weeks. We welcome and value your input as parents of schoolchildren and as residents in the community. We look forward to having you take part in the following surveys:

### Milton Transit Survey (May 24 – June 6)

We're listening so let's talk transit - that's just how we roll! Take the Milton Transit survey to share your ideas about how our services can help you get to school, work, play and leisure destinations. Complete the survey for your chance to win a fitbit.

[www.miltontransit.ca/survey](http://www.miltontransit.ca/survey)

### Budget Survey (May 30 - June 16)

Let's talk budget! We invite you to share your thoughts on the 2018 Capital & Operating Budgets to help us set priorities for Town infrastructure, programs and services. Comment on the road network, transit, recreation, library, planning for growth and more. Get involved to shape the future!

There are two ways to have your say:

1. **Online:** [www.milton.ca/budgetsurvey](http://www.milton.ca/budgetsurvey)
2. **Phone:** Answer the random call from Nanos Research

### Transportation Master Plan Survey: Roads, Trails, Bikeways and Transit (Until June 30)

Participate in the development of our Transportation Master Plan, which will define a network for walking, cycling, transit routes and streets to help you reach school, work and play destinations. Use our interactive survey and mapping tool to provide your feedback.
